

COCAcon COVID-19 Precautions (Updated as of 6/8/22)

Dear COCA Members, we hope you are making plans to attend COCAcon in Wilmington, DE in November 10-12, 2022! Kay's Kamp will be our host and we will be staying at the beautiful & historic Hotel DuPont.

In regards to COVID-19, the safety of all attendees is of the utmost importance to COCA.

At this time, COCA plans and suggests the following:

- COCA expects ALL attendees to be “up to date” on vaccinations and we highly recommend it. CDC defines “up to date” when you have received all doses in the primary series and all boosters recommended for you, when eligible.
- If you prefer to be masked, please feel free to do so.
- We will be following state/local guidelines and CDC recommendations for COVID. And will keep you up-to-date on any changes.
- Please read the [Hotel DuPont Health & Safety](#) Information.

Our Recommendations:

- If you plan to attend in person, please secure flights that are refundable or can be used as a credit toward future flights.
- If you are sick, please plan to stay home.
- If you are immunocompromised or have an elevated risk of getting sick, please plan to stay home.

We will keep you up to date on any announcements or special COVID requirements for attending conference. If you have any concerns or questions, please contact COCA, info@cocai.org.
