**PROMOTE YOUR CAMPERS CREATIVITY AND RAISE MONEY FOR COCAI!**

Hi Kara,

Thank you for allowing your campers to participate in the Quilt Program this summer! As promised, please find enclosed several quilt squares.

The instructions are simple:

1. Have your campers use Crayola brand crayons, leaving a 1/2" blank border around the edge on all sides. (To make it easier for your campers, you may want to create this border for them in advance.) The design on the squares is strictly left up to you and your campers. The more creative and colorful, the better!
2. When mailing back, if possible place a sheet of some kind of paper (tissue is the lightest) between the squares. Each quilt square will be heat set and sewn into the quilt when they are returned.
3. I have enclosed an addressed envelope to **return the quilt squares by August 15th.**

**The COCA-I quilt is created and sewn with love and sold to provide COCA-I camps the opportunity to bring fun, learning and laughter to children with cancer!**

We hope your campers have fun; let us know if you have questions.

Best Regards,

Hi Stephanie,

Thank you for allowing your campers to participate in the Quilt Program this summer! As promised, please find enclosed several quilt squares.

The instructions are simple:

1. Have your campers use Crayola brand crayons, leaving a 1/2" blank border around the edge on all sides. (To make it easier for your campers, you may want to create this border for them in advance.) The design on the squares is strictly left up to you and your campers. The more creative and colorful, the better!
2. When mailing back, if possible place a sheet of some kind of paper (tissue is the lightest) between the squares. Each quilt square will be heat set and sewn into the quilt when they are returned.
3. I have enclosed an addressed envelope to **return the quilt squares by August 15th.**
